Partnership Priorities Committee

Date: 18 December 2024

The Partnership Priorities Committee (Committee) met for the seventh time in 2024 to discuss the following matters.

Mid-Year Economic and Fiscal Outlook (MYEFO)

Members provided updates on their 2024–25 MYEFO measures that have a focus on working in partnership, and how these projects link with new or existing work across agencies.

Stronger Aboriginal Community Controlled Organisations (ACCO's), Stronger Families research

The Committee noted the update provided on Stronger ACCOs, Stronger Families research and discussed similar works across agencies for consideration in implementing project recommendations.

Update on the Investment Dialogue for Australia's Children (IDAC) as part of the Targeting Entrenched Disadvantage (TED) package

The Committee noted progress of the IDAC as part of the TED package and the importance of strengthening government and philanthropic partnership to achieve change.

Whole of Government Framework (the Framework) to Support Community Change – Implementation Approach

The Committee noted the next steps for the Framework and discussed options for implementing and embedding the Framework, which will be brought back to the Committee at a future meeting.

Outcomes of Commonwealth, State, Territory and Local Government Roundtable and next steps

The Committee noted the report from the Commonwealth, State, Territory and Local Government Roundtable and agreed the list of actions emerging from the event and the proposed approach for implementation.

2025 Forward Work Program

The Committee considered the Forward Work Program for 2025 and agreed to the establishment of a Partnerships and Place Working Group to support the Committee's strategic agenda and facilitate cross-agency collaboration on associated initiatives.
