**Fifth Interim Report**

October 2022

## **Introduction**

The Australian Government (the Government) welcomes the Fifth Interim Report of the Inquiry into Centrelink's Income Compliance Program or 'Robodebt' by the Senate Community Affairs References Committee.

The Government thanks the Chair, Deputy Chair, Members, Substitute Members, Participating Members and Former Members for conducting the Inquiry and for its Fifth Interim Report. These thanks are also extended to the Secretariat of the Committee.

The Government also thanks individuals and organisations who contributed to the inquiry, providing insights into their experiences and issues surrounding the 'Robodebt' scheme.

A Royal Commission into the 'Robodebt' scheme was announced on 25 August 2022 and will be led by the Honourable Catherine Ena Holmes AC SC.

The Royal Commission will examine the establishment, design and implementation of the scheme, the use of third party debt collectors under this scheme, responses to concerns raised about the scheme following its implementation and the intended and actual outcomes of the scheme.

Other areas of focus include who was responsible for its design and establishment and what advice informed it; the handling of complaints about the scheme; the impact on individuals and their families; and measures needed to prevent a recurrence of any failures in public administration.

The full Terms of Reference can be found on the Royal Commission's website:

The Government has allocated \$30 million to conducting this Royal Commission and the final report will be delivered to the Governor-General His Excellency General the Honourable David Hurley AC DSC (Retd) by 18 April 2023.
