National Rental Affordability Scheme Quarterly Performance Report

As at 31 March 2020

Performance Summary

The National Rental Affordability Scheme (NRAS) is an Australian Government initiative, working in partnership with the states and territories, to stimulate the supply of new affordable rental homes. Successful NRAS applicants are eligible to receive a National Rental Incentive, drawing together Commonwealth and state or territory contributions for each approved home where they are rented to eligible low and moderate income households at a rate that is at least 20 per cent below the prevailing market rates.

Report definitions

In this Report:

Active allocations means dwellings tenanted or available for rent.

Provisional allocations means dwellings not yet delivered.

Total allocations means the total number of active allocations and provisional allocations.

Type means the type of NRAS home.

Size means the number of bedrooms in the NRAS home.

NRAS Year means the period 1 May to 30 April each year.

Allocations ceasing (calendar year) by suburb

The provision of location data of proposed allocations have been relaxed to allow approved participants to provide only the postcode when applying under certain application rounds. The postcode information may relate to new developments and suburb level information is not available at the time of running the Quarterly Performance Report. Therefore, some suburb locations are reported as Not Stipulated (NSW only).
